Pre-Auction Purchase

Own a Vehicle for Less Than You Think

Why pay retail price when you can own the same vehicle for a fraction of the cost? Our Pre-Auction Purchase is your shortcut to driving away in a quality, DEKRA-inspected vehicle at the bank's outstanding balance — not market value, not inflated dealership pricing. These vehicles come directly from banks as liquidated or insolvency stock — no middlemen, no markups, no nonsense.

THE PRE-AUCTION ADVANTAGE

■ **Pay Only the Bank's Outstanding Balance**	No retail markup. No auction premium. You pay exactly what the bank is owed — often well below market value.
■ **Free Delivery to Your Door**	Can't come to us? We'll bring the vehicle to you at no extra charge — anywhere.
■ **1.5-Hour Test Drive & Full Inspection**	Take your time. Drive it. Inspect it. Bring your own mechanic. We have nothing to hide.
■ **100% Refund If You're Not Happy**	Not satisfied after the test drive? Your full reservation fee is returned immediately — no questions asked.
■ **No Buyer's Commission. No Hidden Fees.**	The price you see is the price you pay. Zero surprises at the final step.
■ **Skip the Bidding War**	Secure your vehicle 7–14 days before auction day — before anyone else gets a chance to compete.

How the Pre-Auction Process Works

1	**Submit Your Details** Provide your Name & Surname, ID/Passport number, Email address, Physical address, and Mobile number to begin your Pre-Auction Purchase profile.
2	**Receive Your Offer to Purchase & Pay Commitment Fee** Our legal team drafts a binding Offer to Purchase. A commitment fee of 30–50% of the asking price is required to remove the vehicle from the auction list. Upon payment, you instantly receive a 6-digit OTP Buyers Code via SMS.
3	**Test Drive, Inspect & Pay the Balance** Arrive at our premises (or choose free delivery) and enjoy a 1.5-hour test drive and full inspection. If satisfied, pay the remaining balance and drive away. If not, your reservation fee is fully refunded.

■ **IMPORTANT ENTRY REQUIREMENTS**

No Buyers Code = No Entry | No Appointment = No Entry | No Walk-Ins Permitted

Please do not lose or delete your Buyers Code — it is your access key to the premises and test drive venue.
